

Southwestern Ontario Funeral Home for Sale

This funeral home is located in Windsor-Essex County. Growth continues to expand in the town and township. We have been serving the community for 77 years. Total renovations were completed in 2010-2012, with more continued current updates including generator backup power. The facilities are completely accessible on one level, chapel seats 120+ with additional seating in other areas with audio-visual monitors. The funeral home has a large parking area with two garages and additional private garage adjacent to the prep room. There is a multi-bedroom apartment on a second floor. Our fiscal call volumes are 80+ call and have an excess of 2.3 million in trust. We are the only funeral home in a growing community.
